

## Event Report

**Event Name:** Constitution day

**Date of the Event:** 25<sup>th</sup> November, 2023

**Duration of the Event:** 3hr

**Venue:** Sandip University, Sijoul

**Name of the Event Coordinator:** Mr.Keshav Kumar

### About the Event:

The Civil Engineering Department at Sandip University commemorated Constitution Day on November 25, 2023, with a special event held on the university campus. The event aimed to instill a sense of awareness and appreciation for the Constitution of India among students and faculty members. The highlight of the event was a lecture delivered by Mr. Pintu Kumar Yadav, who provided valuable insights into the importance and history of the Indian Constitution through an engaging PowerPoint presentation.

### Objective of program

The Constitution Day celebration at Sandip University, organized by the Civil Engineering Department on November 25, 2023, aimed to commemorate the adoption of the Indian Constitution and deepen the understanding of its importance and historical significance. The focal point of the event was a lecture delivered by Mr. Pintu Kumar Yadav, who utilized a detailed PowerPoint presentation to enlighten the audience about the journey and relevance of the Constitution of India.

### Event Highlights:

1. **Inauguration and Welcome:** The event commenced with an inaugural ceremony, where faculty members, students, and special guests gathered to mark the significance of Constitution Day. Mr. Ajay Kumar, Head of the Civil Engineering Department, welcomed everyone and emphasized the importance of understanding the constitutional values that shape the foundation of our nation.
2. **Lecture by Mr. Pintu Kumar Yadav:** Mr. Pintu Kumar Yadav, a distinguished speaker with expertise in constitutional law, delivered an insightful lecture using a well-prepared PowerPoint presentation. He elucidated the historical background of the Indian Constitution, highlighting key milestones and the visionary leaders who played pivotal roles in its formation.
3. **Importance of Constitution in Civil Engineering:** The event uniquely focused on the relevance of the constitution in the field of civil engineering. Mr. Yadav discussed how constitutional principles influence the development of infrastructure, construction laws, and the overall framework of the engineering profession. This perspective helped students connect the dots between their academic pursuits and the broader societal context.
4. **Interactive Q&A Session:** Following the lecture, an interactive question and answer session allowed participants to seek clarification on constitutional matters and engage in meaningful discussions. This encouraged active participation and created a dynamic learning environment.
5. **Patriotic Performances:** To infuse a sense of patriotism, the event featured cultural performances by students. These performances showcased the diversity and unity of

India, echoing the spirit of the Constitution.

6. **Pledge to Uphold Constitutional Values:** The event concluded with a pledge taken by attendees, including faculty and students, to uphold the values enshrined in the Constitution. This symbolic gesture aimed to reinforce the commitment to democratic ideals, social justice, and equality.

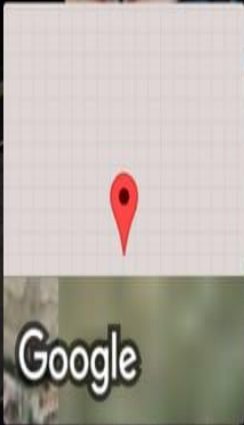

**What is Constitution Anyways?**

Almost everything we do is governed by some set of rules. There are rules for games (like soccer), for social clubs and for adults in the workplace. There are also rules imposed by morality and custom that play an important role in telling us what we should and should not do.

For example: In the game of soccer, a referee has "the authority to enforce the Rules of the Game" on the players, when a player is violating against the Rules, referee issues action like send off a player, or when a player takes

**Conclusion:**

The Constitution Day celebration at Sandip University proved to be an enlightening and enriching experience for all participants. By weaving together academic insights, historical perspectives, and cultural elements, the event successfully fostered a deeper understanding of the constitutional principles that guide our nation. The Civil Engineering Department's initiative in organizing this event contributed to the holistic education of students, aligning academic knowledge with civic responsibility.
