

Event Report

Event Name: Tree Plantation

Date of the Event: 16th September 2023

Duration of the Event: Whole day

Venue: Sandip University Campus

Name of the Event Coordinator: Prof Amresh Anand

Introduction:

On September 16th, 2023, a Tree Plantation Drive was organized by Mr. Amresh Anand at the Sandip University Campus. The event aimed to promote environmental awareness and contribute towards a greener and healthier campus environment. The drive was attended by esteemed guests including Dr. B.N. Tripathi, Dean of the University, faculty members from the Civil Engineering Department, and enthusiastic students.

Objective of the Program:

- The primary objective of the Tree Plantation Drive organized by Mr. Amresh Anand on September 16th, 2023, at the Sandip University Campus was to promote environmental sustainability and raise awareness about the crucial role trees play in maintaining ecological balance
- To educate participants about the significance of tree planting in mitigating environmental issues such as deforestation, air pollution, and climate change.
- To contribute towards creating a greener and healthier campus environment, enhancing the overall aesthetic appeal and ecological value of the university.
- To actively involve students in a hands-on environmental conservation activity, instilling a sense of responsibility and ownership towards their surroundings.

Outline of the Program:

- The event commenced with a warm welcome extended to all participants. Mr. Amresh Anand provided an overview of the program's objectives and emphasized the collective effort required for its success.
- Dr. B.N. Tripathi, the esteemed Dean of the University, delivered an inspiring inaugural address. He highlighted the critical role trees play in preserving the environment and encouraged active participation in the plantation drive.
- Participants were divided into groups and provided with saplings of indigenous tree species. Under the guidance of faculty members from the Civil Engineering Department, they actively engaged in the plantation activity across designated areas within the campus.
- The event concluded with a closing ceremony where Mr. Amresh Anand expressed gratitude to all participants, including Dr. B.N. Tripathi, faculty members, and students. He highlighted the collective impact of their contributions towards a greener future..

Conclusion

The Tree Plantation Drive organized by Mr. Amresh Anand on September 16th, 2023, at the Sandip University Campus was a significant step towards promoting environmental awareness and community engagement. With active participation from Dr. B.N. Tripathi, the Dean of the University, faculty members, and students, the event successfully achieved its objectives and contributed to a greener, more sustainable campus environment.
