

## **Event Report**

**Event Name:** National Voters Day Celebration

**Organized by:** Department of Mechanical & Electrical Engineering

**Date:** 25/01/2024 (Thursday)

**Time:** 2:00 PM

**Venue:** Room No. 7 (2nd Floor SRP, Main Building)

**Event Coordinators:** Dr. Rajesh Kumar Mahto and Prof. Rakesh Kumar

### **Introduction:**

The Department of Mechanical & Electrical Engineering at Sandip University, Madhubani celebrated National Voters Day on January 25, 2024, with a dedicated event held in Room No. 7 on the 2nd Floor of the SRP, Main Building. The event aimed to emphasize the importance of voting and to encourage active participation in the democratic process.

### **Inauguration:**

The event commenced at 2:00 PM with a formal inauguration. Dr. Rajesh Kumar Mahto and Prof. Rakesh Kumar, the event coordinators, inaugurated the ceremony by emphasizing the significance of National Voters Day in shaping a responsible and aware citizenry.

### **Interactive Session on Voter Registration:**

An interactive session was conducted to guide students on the process of voter registration. The session aimed to demystify the registration process, providing students with practical information on how to enroll and participate in the democratic process.

### **E-Voting Demonstration:**

In line with technological advancements, a demonstration of electronic voting machines (EVMs) and the process of electronic voting was conducted. Students had the opportunity to experience the modern voting system and understand the technology behind it.

### **Oath-taking Ceremony:**

An oath-taking ceremony was conducted, where participants pledged to exercise their right to vote responsibly and contribute to the democratic process. The ceremony aimed to instill a sense of civic duty and responsibility among the students.

### **Closing Remarks and Certificates:**

Dr. Rajesh Kumar Mahto and Prof. Rakesh Kumar concluded the event with closing remarks, expressing gratitude to the participants for their active engagement. Certificates of participation were distributed to acknowledge the attendees' commitment to promoting voter awareness.

### **Conclusion:**

The National Voters Day celebration organized by the Department of Mechanical & Electrical Engineering was a resounding success in creating awareness about the importance of voting. The informative sessions, interactive activities, and the overall participatory atmosphere contributed to fostering a sense of responsibility and empowerment among the students. The event coordinators, Dr. Rajesh Kumar Mahto and Prof. Rakesh Kumar, played a pivotal role in orchestrating an event that not only celebrated democracy but also inspired students to actively participate in shaping the future of the nation.
