

Event Report

Event Name: Research Paper Presentation

Date of the Event: 03/10/2023

Duration of the Event: 2hr

Venue: Electrical Department, MBA Building

Name of the Event Coordinator: Prof. Pooja Jha and Prof. Rajesh Kumar Bhagat

Objective of the Program:

The Department of Electrical Engineering organized a stimulating event, the Research Paper Presentation, on October 3, 2023. This event was a platform for scholars, researchers, and students to showcase their innovative research findings and foster intellectual discussions within the academic community.

Outline of the Program:

- **Inaugural Address:** The event commenced with a gracious welcome by Prof. Pooja Jha and Prof. Rajesh Kumar Mahto, the coordinators. They emphasized the importance of research in the field of electrical engineering and encouraged participants to explore new horizons in their academic pursuits.
- **Research Paper Sessions:** Participants presented their research papers on diverse topics related to electrical engineering. The sessions were marked by insightful presentations, demonstrating in-depth knowledge and meticulous research efforts. The audience was captivated by the depth of understanding exhibited by the presenters.
- **Q&A Sessions:** Engaging question-and-answer sessions followed each research paper presentation. Attendees actively participated, asking thought-provoking questions and offering constructive feedback. These interactions enhanced the overall learning experience and encouraged participants to defend their research methodologies and findings effectively.
- **Expert Review and Feedback:** Esteemed faculty members and researchers from the Department of Electrical Engineering provided expert reviews and feedback to the presenters. This valuable input not only acknowledged the participants' efforts but also guided them on potential areas for improvement, fostering a culture of continuous learning and growth.

Conclusion:

The Research Paper Presentation organized by the Department of Electrical Engineering was a resounding success, showcasing the department's dedication to promoting research and academic excellence. The event not only celebrated the current achievements of researchers but also inspired future endeavors.

We extend our heartfelt gratitude to Prof. Pooja Jha and Prof. Rajesh Kumar Mahto for their exceptional coordination and guidance. Special thanks to all the participants, faculty members, and attendees for their active participation, making the event intellectually stimulating and enriching. As we reflect on this event, we are inspired by the passion for knowledge and innovation displayed by our academic community, setting the stage for even greater achievements in the future.
