Event Report: Technical Power Point Presentation

Organized by: Department of Mechanical Engineering, Civil Engineering & Electrical Engineering

Event Details:

- **Date:** 23rd September 2023
- **Time:** 01:00 PM
- **Venue:** Department of Electrical Engineering, MBA Building, 1st Floor

Introduction:

The Technical PowerPoint Presentation event organized by the Department of Mechanical Engineering, Civil Engineering, and Electrical Engineering took place on 23rd September 2023 at the Department of Electrical Engineering, MBA Building, 1st Floor. The event aimed to showcase the technical expertise and knowledge of the students in the respective fields.

Event Highlights:

1. **Opening Ceremony (01:00 PM - 01:15 PM):** The event commenced with a warm welcome to the attendees and participants. Prof. Manjeet Kumar, Head of the Department of Electrical Engineering, delivered the opening speech, emphasizing the importance of technical knowledge in today's competitive world.

2. **Presentations (01:15 PM - 03:30 PM):** Students from the Mechanical, Civil, and Electrical Engineering departments presented their technical projects and research findings through engaging PowerPoint presentations. Each presentation was followed by a Q&A session, allowing the audience to interact with the presenters and gain deeper insights into the topics.

3. **Judging and Evaluation (03:30 PM - 03:45 PM):** A panel of esteemed judges, including faculty members from various engineering departments, evaluated the presentations based on criteria such as content, presentation skills, and innovation. The judging process was rigorous and aimed at recognizing outstanding efforts and creativity.

4. **Prize Distribution and Closing Ceremony (03:45 PM - 04:00 PM):** The event concluded with the announcement of winners. First, second, and third prizes were awarded to the top-performing teams from each department.

Conclusion: The Technical PowerPoint Presentation event organized by the Department of Mechanical Engineering, Civil Engineering, and Electrical Engineering provided a platform for students to showcase their technical acumen and fostered a spirit of healthy competition. The event was a resounding success, encouraging students to further explore and excel in their respective fields of engineering.
