Event Report

Expert Lecture on "An Insight into Scopes and Challenges of Control System Engineering"

We are pleased to report that the School of Engineering & Technology (SOET) and the School of Computer Sciences & Engineering (SOCSE) at Sandip University, Madhubani, successfully organized an expert lecture on 19th October 2024. The event was held in the Seminar Hall, B. Ed. Building, Ground Floor, and saw enthusiastic participation from students and faculty alike.

Organized by: School of Engineering and Technology (SOET) and School of Computer Science and Engineering (SOCSE), Sandip University, Madhubani

Technically Sponsored by Automatic Control & Dynamic Optimization Society (ACDOS)

Event Overview:

The guest speaker for the event was **Dr. Gagan Deep Meena**, Assistant Professor in the Electrical Engineering Department at NIT Patna. Dr. Meena is an expert in the fields of Mobile Robots, Control Algorithms for Robotics, Nonlinear Systems, and Discretization Techniques. His lecture on the topic "**An Insight into Scopes and Challenges of Control System Engineering**" provided invaluable insights to students from both SOET and SOCSE.

The event was technically sponsored by the **Automatic Control & Dynamic Optimization Society (ACDOS)**. ACDOS' sponsorship was instrumental in enhancing the technical depth and scope of the lecture, making it a significant event in the academic calendar of Sandip University.
