Subject: Report on Super Saturday activity (Session on "BODY LANGUAGE AND COMMUNICATION")

Date: 20-01-2024

Time: 10:00 AM

Venue: Management Building ,Lab-1

The Super Saturday Session on "BODY LANGUAGE AND COMMUNICATION" was successfully conducted on the scheduled date and time. The session was organized by the, Prof. Sweta Dubey, Assistant Professor from Management Department to enhance the understanding of non-verbal communication cues and their impact on effective communication in various professional settings.

Prof. Gaurav Kumar, Assistant Professor in the Management Department and Prof. Sonam Rani, Assistant Professor in the Computer Science Department, served as the key speaker for the lecture. Her expertise in communication and behavioral psychology, led the session. Their extensive knowledge and interactive teaching style kept the participants engaged throughout the day.

The lecture that was given by Prof. Sonam Rani was on understanding the significance of body language in conveying messages and building relationships. Her practical examples and case studies added depth to the discussion.

All students of the Management Department were instructed to attend the lecture, and their punctual presence was highly appreciated.
