# Chairman's Message

Education is the passport to the future, tomorrow belongs to those who prepare for it. We had a dream and we have managed to live that dream with the inception of Sandip University. It gives me immense pleasure in welcoming you to one of the finest research-led, technology powered, 21st century university of India. It has everything a student looks for in a world-class university. We consistently endeavor to transform every student into a future-ready professional of tomorrow. A 21st century world needs 21st century education driven by innovative technologies. At Sandip University, we harness the power of cutting-edge technologies in addition to offering a bouquet of world-class amenities to students for shaping their tomorrow, today. We take immense pride in grooming and providing future leaders to India and the world.

It is a step in the right direction. The vision and mission of Sandip University are perfectly aligned to the Digital India and Skill India initiatives of the Government of India.

Our faculty and staff have come up with innovative methods in teaching to construct new knowledge in the classroom. Our motto is to always give our students the best of what is happening in and around so that they are always at the cutting edge of academics the world over.

The cultural aspect has always been a strong-point of our organization as it has an acknowledged role in molding the personality, teaching soft-skills, developing leadership and management abilities and strengthening the EQ. Extra-curricular activities, participation in sports and other cultural activities has now become universal, contributing to all-round development which is much needed in the world today.

Finally we look to create an Alumnus for inspiration and support so that our students have wonderful role models to emulate. Our faculty and students remain focused on a quality of education that is not just a college degree but a way of life.

Come; be a part of this education revolution and embark on the journey to excellence.

May our University enlighten and inspire all our facilitators and learners. Together, let's celebrate the brilliance of our university. Let it showcase the remarkable talents within our community.

**Dr. Sandip N. Jha**

Honorable Chairman,  
Sandip University

# School of ENGINEERING & TECHNOLOGY

## UNDERGRADUATE PROGRAMS

### B.Tech in
